Commissioner for Patents
Mail Stop AF
Washington, D.C. 20231

Sir:

This is supplemental to the response filed on May 27, 2003. The three-month statutory period was set to expire on May 27, 2003, thus a petition for a one-month extension of time and check therefor are being submitted herewith in order that this supplemental response may be entered into the application. This response and amendment should be entered under 37 CFR 1.116 because it supplements the last-filed response, which places the application in condition for allowance.

REMARKS

This supplemental response is being filed in order to provide further comments on the inventive aspects of the Applicants' claims. In other words, this supplemental response is being filed
